

HI and thank you for helping to make my idea for The Remnant comic book a reality!

Enclosed you will find reference information for a character from our series. Using the information please prepare a 1-2 page script based on that character!

Again, Thanks for working with Grok! Comics. I look forward to seeing your creativity manifested!

Layout Inspirations:

Updated Color Scheme

Version II

This mask is a visor, sort of like How Cyclop's connects at the ears

Should be solid red glowing bar

Hands should have silver gloves

RAYTHEON

RAYTHEON POWER SPECS

Glowing ** strips absorb ambient free floating energy sources. (such as ultraviolet, sound waves, and cosmic energy)- converts to power suit.

Gauntlets used to control and modify stored energy. Can shoot powerful blasts of energy, and create energy constructs.

User Biocode. The suit is linked to a specific bioDNA code. The suit is locked to the user's code, making it impossible for anyone else to use.

Negrav boots use stored energy to negate gravity allowing the user to fly.
